

REST OF PRESIDENT'S TOUR CANCELLED

Dr. Cary Grayson, His Personal Physician Gives Illness and Physical Exhaustion As Cause

(By Associated Press)
Wichita, Kansas, Sept. 26.—Bulletin—President Wilson today cancelled the remainder of his tour under orders from Admiral Cary Grayson, the president's physician, and will return to Washington direct from Wichita. Admiral Grayson gave illness and physical exhaustion as the reason for his action.

Although there is nothing critical about the President's condition, Dr. Grayson declared a nervous reaction affecting his digestive organs made a suspension of his trip imperative.

The President was ill most of the night and the decision to return at once to the capital was reached just before the train arrived at Wichita.

The President wanted to continue his speaking program but Dr. Grayson would not permit it and the President's address which was to have been delivered at the Forum building this morning was cancelled.

The presidential train did not pull into the station here where a large crowd was awaiting him, although he wanted to at least greet the people. Dr. Grayson would not permit him to leave his private car.

Details of the President's indisposition were not revealed but it is indicated he had a slight touch of indigestion which Dr. Grayson thought would pass away quickly if the President remained in bed.

Secretary Tumulty issued a statement saying "the President has exerted himself so constantly and has been under such a strain during the last month and has so spent himself without reserve on this trip that it has brought on a nervous reaction in his digestive organs."

The presidential special will return by way of Kansas City and St. Louis, reaching Washington Sunday morning. The President appeared to be standing travel well but it became known today he had been suffering for several days from a headache. He has made nearly 40 speeches since leaving Washington September 3rd, and had five yet to make, including one in Louisville next Monday.

Thought Little Children Needed Mother's Care

"My stomach suffering was so severe that I could not have lasted much longer. I did not care so much for myself but did not want to leave my three little children who needed a mother's love and care. A cousin in California wrote me about May's Wonderful Remedy and I took a course of it. I have since been 'wired' well." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Now Is a Good Time To Drive Out Catarrh

The Trouble Is In the Blood.
Summer catarrh, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter. That's why it is so important to treat catarrhs and other blood disorders with S. S. S. during warm weather, and thus free the system from all impurities.

DEVELOPMENTS MAY COME IN BIG STRIKE

(By Associated Press)

All definite news indicated no important change in the steel strike but three important developments are pending, any one of which may have an important bearing on the outcome of the great industrial struggle. In Pittsburgh the steel workers' committee was to meet and arrive at a definite decision on calling out 40,000 workers in the Bethlehem plants. In Youngstown unskilled and semi-skilled workers were to meet and discuss the question of returning to work. At Cleveland shipping union officials were to meet and decide on a sympathetic strike of 18,000 seamen, engineers and men of allied trades.

WILL TELL WILSON COMPROMISE SEEMS TO BE NECESSARY

(By Associated Press)

Washington, Sept. 26.—After President Wilson's return to Washington, democratic Senate leaders plan to seek an early conference to discuss a possible compromise over reservations. Some prominent democratic Senators today said they planned to advise the President to carefully consider some sort of reservations, imperative in character, at least. These men are convinced the treaty cannot be ratified without reservations of some character.

Servants Arrested In Cooper Murder Mystery

(By Associated Press)

Nashville, Sept. 27.—Dennis Metcalf, a gardener, and Noah Jones, a negro maid, both employed at the home of Robin Cooper, were arrested today in connection with Cooper's death August 28th. Twenty-eight warrants were sworn out by Gabriel Hansen, a Memphis detective.

SOMETHING REAL

Did you know that there was a tire being sold in town that was giving absolute satisfaction.

A great many of these tires have already been sold. Not one has ever been returned to the seller with a complaint.

A good percent of them have already gone over their mileage which is 5000 fabric, 8000 for cords.

Ask someone who is using some of these tires and then come and buy a set of McGRAW TIRES for sale by SANDLIN SUPPLY CO., Soper Block. 254-1

Have Housed Dandy Little Crop

Madison has a lot of awful sweet looking tobacco ready for the fall markets, but Glass and Gordon have just finished housing what experts say is the best 14-acre tract of weed in this section. The crop was raised on the Willis Hise farm on Big Hill pike and has been housed at the Home Warehouse. E. W. Glass, local buyer for the Liggett & Myers Tobacco Company, is considered one of the best judges of tobacco in the state.

SUCCESSFUL SALE OF PAINT LICK FARM

Swinebroad, the Lancaster sale king, scored another success Thursday in the sale of the Hendren and Woods farm of 435 acres near Paint Lick. Bolivar Bond cried the sale. The farm was disposed of in two tracts. One tract of 140 acres was bought by Guy and Jack Duerson at \$200 an acre and the other tract of 295 acres was bought by Rice Woods at \$144 an acre. This land is fine tobacco land and the sale proved very satisfactory. As an instance of the remarkable appreciation in prices and values of land in Kentucky within the past decade an old-timer recalled today that a number of years ago, some of this same land sold under court decree at \$27 an acre.

Important Meeting Of American Legion

The Madison county post of the American Legion will hold its second meeting and probably its most important meeting of its career at the court house Monday, September 29th, at 7:30 o'clock. On that night it will be definitely decided that Madison county like other counties in the state will have an up-to-date, live and wide-awake post of the legion. Every ex-soldier, sailor and marine should see to it that he is present at that meeting whether he is a member of the legion or not.

The American Legion is the national civilian organization of ex-service men and women. It is non-partisan, non-political, and non-sectarian, knowing no distinction of rank or service. All former enlisted men and former officers, former overseas men and former national service men, who served in the United States are welcome with the American Legion with the plain American title "MR."

Our country, not ourselves; policies, not politics.

SAYS NEIGHBORS GIVEN SURPRISE BY THE CHANGE

Owensboro, Ky., Sept. 25.—"My neighbors who knew the condition I was in, before I began taking Trutona, are surprised to see me working again," Mrs. Fannie Grundy, well known Owensboro woman of 616 Triplett street, said recently. "I'm certainly grateful for this new tonic, for it has given me more relief than any other medicine I've ever taken—and I've tried most all of them," she added.

"I had been troubled with ulceration of the stomach for the past 20 years. My bowels were in very bad condition. I would be severely constipated for three days at a time and then when I'd take some harsh laxative I'd have a hard time to check the bowel action. Naturally I became very weak."

"I had been bedfast for six weeks before I began taking Trutona. You can imagine my surprise, when, at the end of the first week's treatment I was able to get out of bed and began to do my housework again. I'm eating food now that I haven't dared to touch in the past two years. Why, I can even eat corn bread now and that's one food that used to make me very sick. I have never before given a testimonial for any medicine, but I feel that the public should know of the wonderful relief I've gained from a one-dollar bottle of Trutona."

Trutona is now being introduced and explained at H. L. Perry & Son's. It

TWO POOSEY FARMS GO AT TOP FIGURES

Two more Madison county farms sold at top prices Wednesday. Col. Jas. H. Pearson went down to the Poosey section and sold the Mrs. C. C. Sanders place of 48 acres to Stewart Sanders at \$325 an acre. He then sold for Allen Taylor, in the same community, his nice little farm of 46 acres to Allie Sanders, at \$272.71 an acre. And these places are some miles distance from Richmond, too.

Col. Pearson was in Somerset early in the week, selling some lots and farms for the Elkins and Walker Company. The sale was a big success, as is every sale with which he is connected.

FIRST COUNTY SEAT SITE SOLD AT \$125

The site of the first county seat in Madison county "Oldtown", or as it was called in the early days "New Milford", was sold this week by Wm. Parrish to three colored farmers of that section, at \$125 an acre. There are said to be right at 100 acres in the tract. The stone foundations of the old house which were built on the original county seat of Madison are still to be found on the place. This land has increased in value wonderfully, along with other land all over Kentucky. It was recalled that it was bought probably a quarter of a century ago at \$22 an acre.

DANVILLE GIRL VICTIM OF HER OWN REVOLVER

The cancellation of the dance at Danville tonight was caused by the untimely and accidental death of Miss Louise Nichols, the popular 16-year-old daughter of County Clerk John B. Nichols, of Boyle county. In some way, Miss Nichols shot herself to death at her home in Danville. She was known to many here, who regretted to learn of her untimely end. She died at 1:30 o'clock Thursday morning from a bullet wound under the heart.

It is generally believed that a pistol which Miss Nichols had kept in her room because of a recent burglar scare was accidentally discharged. She was found lying on her bed shortly after 6 o'clock Wednesday evening by her mother.

"I am dying mother," were the only words she uttered before losing consciousness.

Miss Nichols had been alone at home during the afternoon. She had made a box of candy for a friend, L. Broadus, of Louisville, student at Centre College. She was dressing to attend a party when she was shot. It is believed that in placing the box of candy on the dresser she knocked the revolver off the dresser and that it was discharged when it struck the floor. Miss Nichols was a student at the Kentucky College in Danville.

A Resident Known To All Our Readers Relates An Experience

Readers of the Register have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Richmond cases, told by Richmond people.

H. C. Brewer, grocer, Big Hill ave., Richmond, says: "I have used Doan's Pills at different times when my kidneys have been out of order and I know they are a good remedy. My back ached and I had soreness in my kidneys and it hurt me to stoop. My kidneys acted irregularly, especially if I caught cold. Doan's Kidney Pills have never failed to relieve the trouble and strengthen my back."

AUTO ACCIDENT ON MAIN STREET

A. M. Canfield, of Berea, who drives a taxi car between that city and Richmond, smashed into 12-year-old Marion Kunkle, on his bicycle, and then swerved and wrecked Mrs. J. C. Bronston's buggy, on West Main street between Second and Third Wednesday afternoon, when the accelerator on his King-8 car got stuck. The Kunkle boy's bicycle was wrecked and many feared that the youngster had been killed, but he made an almost miraculous escape and outside of a few bruises is uninjured. Mrs. Bronston was badly bruised by the injury to her buggy, one wheel of which was torn off and other injuries sustained.

Mr. Canfield, was arrested on a charge of reckless driving and tried in police court Thursday afternoon, where he was dismissed by Judge Smith after a full investigation of the matter.

He said he had drive into the parking space in the middle of the street, and when the people with him were ready to go, he endeavored to back out and go down the right side of the street. However, a line of buggies was behind him, so he threw the car into low gear again, to get back in the line of cars. He says that the car suddenly shot forward, out of control. He struck the Kunkle boy with his fender, and turned the car to the right as quickly as he could, broke his emergency brake, but could not stop the car until after it had crashed into Mrs. Bronston's buggy.

The accident might have been serious one, but luckily outside of the wrecked bicycle and buggy little other damage was done outside of the bruises that young Kunkle and Mrs. Bronston sustained.

Almost Lost Car From Fire

Dr. J. H. Jeffries' touring car came near annihilation from fire the other evening at the corner of Main and Second street. The gasoline tank became leaky and someone threw a match near it. A blaze quickly threatened the machine, and considerable damage was done before a chemical engine from the fire department put out the blaze.

FOSTER SPEAKS HREE SATURDAY

Joe P. Chenault Named Democratic Campaign Chairman And Black's Friends Will Get Busy

L. E. Foster, Democratic candidate for State Superintendent of Public Instruction, will speak at the courthouse Saturday afternoon at 2 o'clock. Mr. Foster comes primarily to address the teachers of Madison county, but the meeting is open to all and a great many citizens and taxpayers will be glad to have this opportunity of seeing and hearing the man whom the Democracy of Kentucky presents as its candidate for head of the state's school system. Foster is a splendid speaker and a live wire and has made a fine impression wherever he has visited.

Hon. Joe P. Chenault has been named as Democratic Campaign Chairman for Madison county, and he will begin immediately to organize his campaign committee. An active worker will be named in every precinct of the county, and every effort will be made to carry old Madison for "Uncle Jimmy" Black. Gov. Black is very strong in Madison; the people believe in his honesty and integrity, and the only thing that seems to be necessary is to arouse his friends to the necessity of getting out and going to the polls.

Gompers Before Committee

Washington, Sept. 26.—After hearing Samuel Gompers, president of the American Federation of Labor, the Senate committee investigating the steel strike, today abandoned its plan to examine William C. Foster, secretary of the steel workers committee, who was attacked in the House of Representatives as a radical and I. W. W. Chairman Kenyon announced the inquiry will not be resumed until next Wednesday when Chairman Gary, of the steel corporation, will be heard. Kenyon gave no reason for not hearing Foster tomorrow.

IN COUNTY COURT

Oscar Ray, a Garrard county farmer, who owns some land in the Paint Lick section of Madison was dismissed in county court Friday morning on a charge of building a fence across a county road, thereby obstructing it. He said that he did not know he was violating any law, and would remove the obstruction.

Upon complaint of his mother, Mrs. Bettie Irvine, Willie Irvine was fined \$10 and given 10 days in jail by Judge Price on a breach of the peace charge. The young man, who is just 21 years of age, was out on \$100 bond but did not appear in court when his case was called, and was tried by a jury in his absence. His mother testified that he has been giving her a great deal of trouble.

Sallie Hill, a colored woman, was fined \$5 and costs on a charge of failing to send her child to school. She promised to have the youngster in school at once.

UNIVERSAL ELECTRIC Home Needs

Bring pleasure and comfort into every home where they are used—Pleasure because of their beauty and efficiency; comfort because of the great amount of time and labor they save. The spirit of war-time economy is shown not only in the saving of money and food, but also in the conservation of time and work. It is the duty of every housewife to aid in local war activities, but many are unable to do so because of the great amount of time required for household cares. Electricity solves this problem by doing the tasks that ordinarily take the best part of a day in a few hours, giving more time and accomplishing the work in a far more efficient manner.

MORMON LEGIONS STRONG FOR PACT

UTAH, WHILE STRONGHOLD OF
SMOOT, STANDS BY LEAGUE
FOR PEACE.

CHURCH DECLARES FOR IT

Order Loving Sect in West Gives Wil-
son Splendid Greeting—He Attacks
"Reservation," Which He Says
Means Rejection.

(By Independent News Bureau.)
Aboard President Wilson's Special
Train.—Right through the land of the
Mormon on the eastward way of his
speaking tour on behalf of the League
of Nations, President Wilson proceed-
ed, after he had left the Pacific coast,
and he found that the followers of Jo-
seph Smith and Brigham Young were
just as heartily in favor of the league
as had been any one else with whom
he came face to face during his jour-
ney.

Ogden and Salt Lake City, in the
State of Utah, are towns which to a
large degree are dominated in a busi-
ness as well as political way by the
adherents of the old faith that pre-
scribes many of the theories of the
best manners of living.

That the world knows the ancient
idea that Mormons were persons who
had a large number of wives is alto-
gether wrong; there is no polygamy
here now, and one could not find a
cleaner, brighter community than the
capital city of Utah, nor its near-
by metropolis.

League of Nations Popular.

Reed Smoot, one of the state's sena-
torial representatives at Washington,
is a wonderfully popular man through-
out Utah, but just as was the case in
California (with Hiram Johnson, the
hero) the greater number of citizens
are with him in most of his political
aspirations, but are against him in his
opposition to President Wilson's stand
on the league.

The more the President expounds
that great pact of peace the more gen-
uine Americans assert their independ-
ence from party politics and declare
themselves back of Mr. Wilson for a
program which shall bring about per-
manent cessation from war, and which
shall allow our people to start out on
a greater than ever program of peace
production. Let's settle all this war
business and do something, say the
Mormons, and they have said so for-
mally because recently the President
of the Mormon Church, Heber J. Grant,
pledged them all to the league.

It was Mr. Grant, a fine-looking
elder of the church, who sat beside the
President when he delivered his main
address in the Utah Tabernacle. It
was from the red velvet pulpit of old
Joseph Smith himself that the Presi-
dent spoke, and it was to a crowd of
more than 12,000 that he addressed
his words on the league.

Attacks Reservation.

He bitterly attacked one proposed
reservation which said that the Uni-
ted States should not assume the obli-
gation of preserving the territorial or
political integrity of any old country.
That, the President said, was a rep-
udiation of the whole covenant in which
we declared ourselves a part when we
sent our men to Europe to fight against
the rule of autocracy.

He went on: Does the United States
want to say to the nations with whom
it stood in this great struggle, "We
have seen you through on the battle-
field, but now we are done? Do we
want to say we are not going to stand
by you now that the fighting is over?"
From the great audience in the tab-
ernacle came loud choruses of No! No! No!

Mr. Wilson took Article 10, under
which his enemies have said the Uni-
ted States might be called upon to
fight for nationalities far from us and
not known to us. He demanded to
know if there was a fire in Arizona he
called upon to quench it. There were
more cries of No. So he explained,
the nearest members of the league in
Europe would be asked to quench dis-
turbances. The President pointed out
that under Article 10 nothing could be
done unless by a unanimous vote,
which included that of the United
States, and he added it is inconceiv-
able that the United States could be
drawn in except that the fire of the
war spread to the whole world, and
would we wait, then? There were more
choruses of No from the immense
gathering.

Pro-Germans Oppose League.

Mr. Wilson repeated the assertion
made in several previous addresses
that the greatest forces which now op-
posed the league were the forces that
had hoped and worked for Germany
while we were at war, and he said
that all the serious interests openly
against the league were pro-German
interests. He hoped, he said, that
those senators who were opposing the
league would read the peace treaty
over again and reflect upon it most
seriously before they would deny it.

Before reaching Salt Lake City the
President had the experience of riding
close to several sizeable forest fires,
which were rather uncomfortably near
and then of passing over the waters
of the great Salt Lake. He and Mrs.
Wilson enjoyed the quaint old city im-
mensely, and before their departure
looked over the sacred relics of Smith
and the early founders of the faith.

Millersburg Military Institute was

week but the cadet battalion extin-
guished the flames.

FARMING LANDS

Thursday, Oct. 2

**Magnificent Farms of Mrs. James Bennett
and Warfield Bennett at White Hall P. O.**

On Richmond-Lexington turnpike, six miles from Richmond and 20 miles from
Lexington at public auction.

Located in the very best section of Madison county and being in the highest state
for cultivation these lands offer a great opportunity to any one desiring a home
and farm. Will raise tobacco, corn, hemp and any other crops. Close to churches,
schools and stores.

Thursday, Oct. 2, at 10 A. M. on Premises

We will sell for Warfield Bennett his farm of

292 1-2 Acres

known as "Homeland," with long frontage on Richmond-Lexington pike. On this
farm is a handsome brick residence, large tobacco barn, two cottages, stock scales
and other out buildings. One of the most desirable homes in the county. Well
watered by ponds and never failing springs.

This farm will be offered, first in three tracts of 60 acres to 150 acres, then as
a whole.

1st. Tract—Includes brick dwelling, tobacco barn, cottages and stock scales.

2nd. Tract—Is unimproved.

3rd. Tract—Includes frame dwelling, stock barn and out-buildings.

Immediately thereafter, at the same place we will sell for Mrs. James Bennett
her farm of

369 1-2 Acres

fronting on the Richmond-Lexington turnpike, and on the new pike. This is part
of the famous White Hall estate of the late General C. M. Clay.

On this farm is a good two-story frame dwelling, cistern, barn and out build-
ings. It is well watered by ponds, a never failing well for stock and by Shallow-
ford creek.

This farm will be offered, first in three tracts and then as a whole.

Tracts 1 and 2 each comprise 43 acres unimproved land fronting on Richmond-
Lexington pike.

Tract 3 is the remaining 283 1-2 acres with improvements.

Look over these farms before the day of sale. Warfield Bennett or the men liv-
ing on the farms will show them to you.

These farms will positively sell.

Liberal terms. For further information see.

Oil Company Builds School

In Lee county the Petroleum Exploration Company has just erected a school house one-half mile beyond Zachariah on the company's property for the benefit of the children in families working on the lease. Thirty-three children are now engaged and it is expected the enrollment will be 50 children. A teacher has been engaged and it is reported every provision made for the comfort of the children. This company is running a water line from Standing Rock two miles northeast through its big acreage. The company also has 18 power plants in operation on the Wells Heirs and Miller-Goff-Prewitt tracts in Lee county. A well is brought in here at an average of every two days.

Was Well Known Here

Mrs. Joseph Terry, who is well known to many here, where she has often visited in the family of her brother-in-law, Mr. John Terry on Smith Ballard street, died in Frankfort last week, after a protracted illness of dropsy. Mr. and Mrs. James S. Crutcher and Mrs. Cabell Chennault attended the funeral in Frankfort Friday.

BARK ROAD

The people of this section are rejoicing over a fine rain, for which has been needed for some time.

Mr. J. O. Jones is having his house covered this week.

Miss Martha Carr, of Panola, has been visiting her sister, Mrs. David Kindred.

Mr. and Mrs. Willie Lane have been visiting Mrs. Campbell of Jenks, Ky.

Mrs. Walter Williams, of Illinois, is the guest of her sister, Mrs. F. Jones.

Mr. Edward Davis has gone to Berea College, where he will teach this year.

Mr. Martin Powell and family spent Sunday with Mr. Frank Jones. There will be a pie supper at Bark Road school house, Friday night, Sept. 26th.

Miss Benny Puckett age 47, who has been confined to her bed for some time, died Sept. 21. She will be laid to rest in the Berea cemetery to-day, Sept. 23rd. She leaves a brother and other relatives and friends to follow her. Miss Puckett was liked by her neighbors, she had lived a christian life and was ready to meet the summons.

United States Tires are Good Tires

Most Economical

Wear—life—service—mileage—safety—comfort. These are the things that count in a tire.

These are exactly what you get in United States Tires,—general all-round tire satisfaction.

This greater total of tire

values means greater economy—less cost of maintenance—less repairs and depreciation.

Car owners who do their own thinking prefer United States Tires. Their merit is recognized everywhere.

We have them—a type and size for every car.

GILT EDGE Stock Farm

Will be sold at public auction on the premises, on the North Middletown Pike on

Tuesday, October 7

10 A. M.

Contains 547 acres of land in a high state of cultivation and is now being surveyed for division into several small farms. This farm is one of the best in the county and adjoins the CITY LIMITS OF PARIS, KY., faces the North Middletown Pike, Maysville Division of the Louisville & Nashville Railroad and the waters of Stoner Creek. For many years it was the stock raising farm of the late G. G. White, and was practically all in grass. There is no better land. Its soil is deep and fertile and will grow fine tobacco, corn or hemp. A plot of the farm will be ready in a few days showing meets and bounds of each tract and describing improvements. The property belongs to Hinton Bros., who are selling to effect a division of the undivided interest of each owner. Watch for big display ad giving full description of this splendid farm.

The Favorite

The largest coal range factory in the world are distributors of this wonderful Range. It has been the favorite for the past three generations, and ranks first in the Range Kingdom.

Housewife's Delight

COLE'S

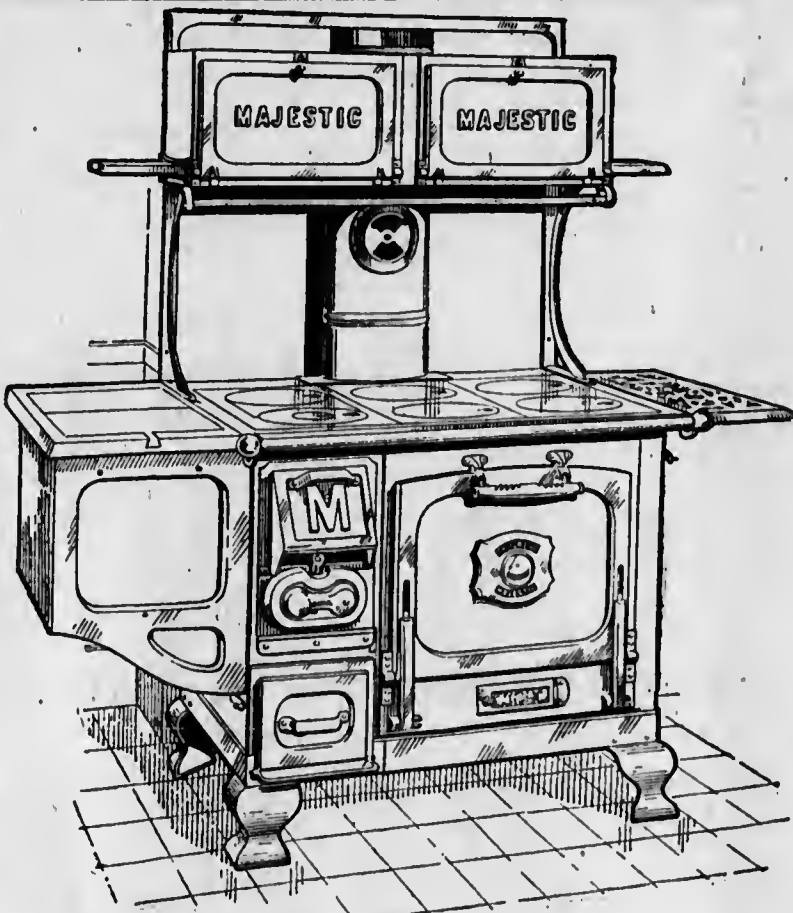

Down Draft Range

BURNS ANY FUEL

and is known the world over as a time saver, as well as a money saver in your coal bills. It is the housewife's delight

Relief From Big Fuel Bills

BEGINNING MONDAY, SEPTEMBER 29th, and continuing throughout the week we will hold a wonderful display of the SEVEN WONDER STOVES of the world—THE MAJESTIC, CHARTER OAK, COLE'S HOT BLAST HEATER, THE FAMOUS BUCK'S, THE FAVORITE, CHAMBERS FIRELESS GAS RANGE, COLE'S DOWNRIGHT RANGE. All these stoves were bought early in the year, and would mean an additional cost of 15 per cent if we had to purchase them within the last few months. We are going to give you the benefit of this 15 per cent savings and it will amount to several dollars on each stove.

The Majestic

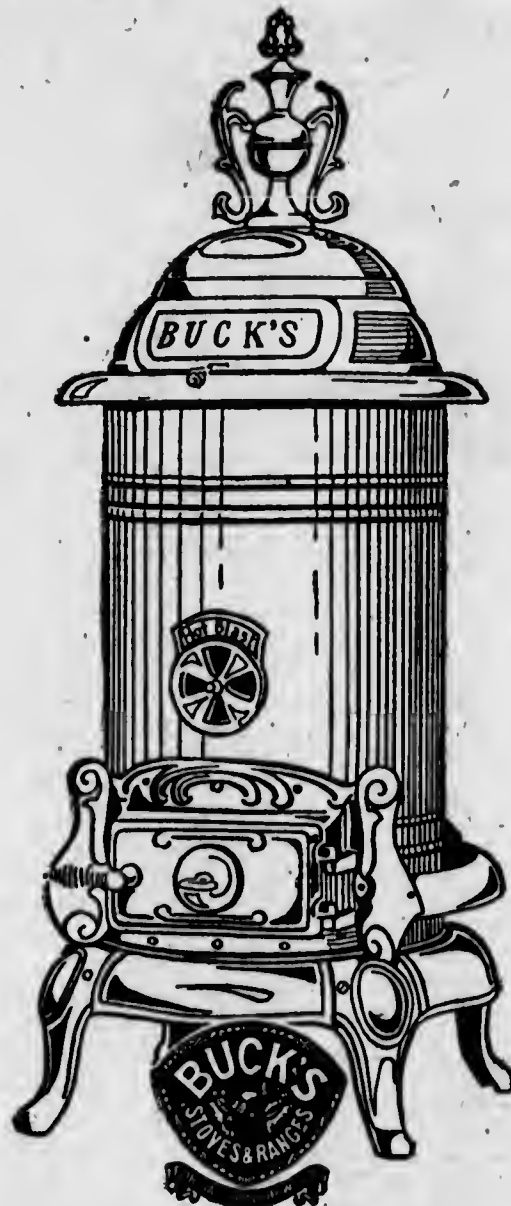

The Range with a Reputation. One that is universal in giving satisfaction, and one that has captured all the gold medal prizes that have been offered. The stove that has been ushered into more homes in Madison county than any other stove on the market. There's a Reason

CHAMBERS

FIRELESS GAS RANGE

With a Chambers Range the fireless features allow full economy of fuel. The Chambers is indeed "The Original and Only." In time, health and money, a Chambers Range pays for itself over and over every year through its savings.

Buck's Hot Blast Heaters

This stove is known the world over for its wonderful savings in the coal bills. It is beautiful in design and beautifies the home. Holds fire overnight, burns both hard and soft coals, and throws an even heat over the entire household. Bucks prove a universal favorite everywhere.

THE CHARTER OAK

It features the double-heater, airtight qualities, and warms the whole house evenly. This stove is built with the double jacket and does away with the polishing; it is very bright and ornamental. It holds the fire overnight, and the house is warm when you wake in the morning.

COLE'S HOT BLAST HEATER

Burns hard coal, soft coal, slack, lignite, wood and lighter fuels. One-third fuel saving guaranteed. Every one sold is guaranteed to hold fire 36 hours. Why be a slave to an extravagant heating plant when Cole's Hot Blast will give you perfect satisfaction for practically one-half your present fuel bill.

WHEN SHE BROKE DOWN

She took STELLA-VITAE and got well. If she had taken STELLA-VITAE sooner, she needn't have broken down. Many women in the prime of life have made this mistake. Many young girls have started into womanhood handicapped for life because their mothers neglected them at the critical period.

For more than half a century STELLA-VITAE has helped suffering women; helped them back to health and vigor, helped them to keep well and happy.

STELLA-VITAE is sold by your druggist on agreement that if the first bottle does not help you, he will refund the money you paid for it.

Had Nervous Headache
Mrs. Devers found STELLA-VITAE the very medicine she needed. She tells her experience in the letter following:

"I feel that I should tell you and those who suffer from female trouble what your wonderful STELLA-VITAE has done for me. I suffered from nervous headaches and was all run down in health when a friend of mine advised me to try STELLA-VITAE."

"Nothing else seemed to do me any good. I concluded to try it, and after taking it a short time, I found, to my great joy, that it was the very medicine I needed. I am now so much better that I gladly recommend it to every woman who has female trouble. STELLA-VITAE will do for women all that you claim."

MADISON DRUG CO.

Signing of Peace Will Lift Embargo

Europe manufacturing is paralyzed. Every available ship is being used in carrying American made goods to Europe. Our factories and foundries are over-sold and with railroad transportation almost blocked, new price lists are being issued by nearly all mills once or twice each month. The wage problem is a most serious one. The merchant who last spring believed everything would get cheaper and refused to buy his Fall stock will very likely have no stock to sell. For as a matter of fact, several big advances have been made in all lines during the summer, and the fellow who refused to buy will not only have to pay more for his goods, but will have to wait on poor transportation.

In the face of these difficulties, we have bought and received a **VERY LARGE STOCK FOR FALL TRADE**, most of which was bought in March and April, before the last big advances went into effect, and are ahead of the big advances reported for the near future. This puts us in position to render service to our trade far beyond anything we have been able to do, with a much larger stock than we have carried at any time during our fourteen and a half years in Richmond, and bought at prices way below the present market.

YOU have a cheerful bedroom TOO.

Home-dwellers—

If you want to be a happy, cheerful family, have **CHEERFUL** bed rooms. Have your Bedroom Furniture and Rugs new and attractive, your beds pretty and comfortable. People feel better and work better in the day-time if they have restful, pleasant Bedrooms. If you come to us, we can furnish you a Bedroom in perfect taste and comfort, and our **PRICES** will be reasonable enough not to disturb your slumbers and we'll arrange the terms to suit you, too.

THE IDEAL FIRELESS COOKSTOVE

Anyone can cook even more successfully in an **"IDEAL" FIRELESS COOKSTOVE** than by the ordinary method.

The food is prepared according to your favorite recipe and placed in the Ideal with radiators that have been heated a few minutes by any kind of a stove.

The cooking process is automatic—foods are roasted, baked, boiled, stewed; and no need to watch, baste, or stir anything. Nothing will burn, shrink, evaporate.

Just think of the comfort of having only to prepare food for cooking, then place

it in the **"IDEAL"**. No further attention from anyone required—go shopping, to church, to social affairs. Then it will be piping hot and deliciously cooked when you are ready to take it out of the cooker.

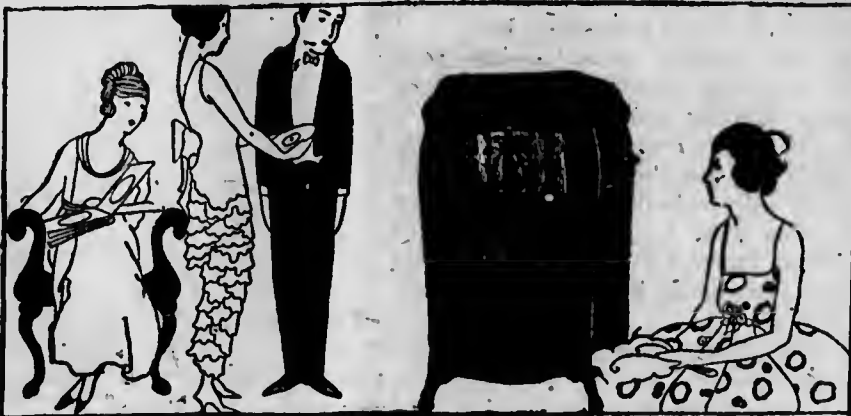

Use your own favorite recipes and let the **"IDEAL" FIRELESS COOKSTOVE** work while you save your strength and health for better things. Come in and let us demonstrate this Cooker to you right away. We know you will do all baking and boiling the fireless way when you know how easy and how well it may be done.

See our new rugs.

Mrs. Everywoman—

No home can have an elegant appearance without good, tasteful Rugs. Nowadays with the handsome domestic Rugs and the artistic Oriental weaves to choose from, there is no excuse for anyone buying ugly Rugs and Carpets. We have a new stock of Carpets varied in patterns and textures and prices, but all varieties are the good kind, and we invite you to come in and look over our selections.

IT'S A COMFORT AND ORNAMENT, TOO

Why blister and freeze alternately with a poor heating stove when you can just as well have a good one and be comfortable?

More than a million people are using the **MOORE'S AIR-TIGHT HEATER**. It circulates the air like a furnace and warms the cold corners, burns the smoke, soot and gas in soft coal which other stoves allow to go up the chimney. That is why it saves 38 per cent of your coal bill. Just figure 38 per cent off your last year's coal bill and see how much it cost you not to own a **MOORE'S AIR-TIGHT HEATER** last winter, and not allow the same thing to happen this winter. Just think, you'll not only save money but you'll live in more comfort than you did last winter. Try it. We have already installed several this season. **GET YOURS EARLY.**

PICTURES FRAMED TO ORDER

Our workmen in this department have had several years experience in Picture Framing and will take a great deal of pleasure in making your Frames up to suit your Pictures, from a well selected line of moulding.

"SELLERS KITCHENEED"

This is the day of modern ideas the world over. The business man adds daily to his office the most modern devices; the manufacturer and the farmer installs the most modern machinery, and why should not the housewife fall in line with the steps of progress and furnish the kitchen with the modern appliances which have been made for her convenience? Nothing can lighten her duties more than the **SELLERS KITCHEN CABINET**.

—EFFICIENCY—

Thousands of steps can be saved during the year with one of these beautiful cabinets at her service. The new **Automatic Lowering Flour Bin** alone is worth many times the price of the whole Cabinet. The porcel-iron sliding top, the sugar bin and spices at her finger's tips, the automatic shelf in the base, the cook book rack, the extract rack, and daily reminder are only a few of many conveniences found in this newest kitchen device.

SUPPLIES FOR YOUR SEWING MACHINE

We are headquarters for Sewing Machine Supplies—Needles, Bobbins, Shuttles, Belts, Oil, Etc.

Our Sewing Machines are sold with unlimited guarantee against defects in material and workmanship. Don't fail to see us for a good Sewing Machine. We trade your old machine in and make liberal terms for the balance.

What a comfort is a nice Range

It is every House Wife's delight to serve her meals well cooked and on time. She cannot do this with an old, worn out Stove or Range. Our supply of Ranges and Cook Stoves is larger this season than usual but they are going fast. Early buyers are getting quick deliveries. Don't wait until the rush is on. WOMEN EVERYWHERE

Praise Lydia E. Pinkham's Vegetable Compound as the Greatest Remedy for Woman's Ills.

New Haven, Conn.—“For two years I suffered with a female weakness, pains in my back and painful periods, and I was so weak and tired that I was not able to do my work. A friend told me to use Lydia E. Pinkham's Vegetable Compound and it gave me great relief. My pains left me and I am now able to do my work and feel fine. You can publish my testimonial and if your Vegetable Compound does others as much good as it has me I will be very much pleased.”

—Mrs. CHARLES E. MORGAN, 37 Sea Street, New Haven, Conn.

The reason Lydia E. Pinkham's Vegetable Compound is so successful is because it contains the curative, strengthening properties of good old fashioned roots and herbs, which act directly on the female organism.

There are women everywhere who long for children in their homes yet are denied this happiness on account of some functional disorder which in most cases would readily yield to Lydia E. Pinkham's Vegetable Compound.

Such women should not give up hope until they have given this wonderful medicine a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of 40 years' experience is at your service.

What Doctor Pierce Has Done For Humanity!

BY DOCTOR CRIPPS.

It has always seemed to me that Dr. Pierce, of Buffalo, N. Y., should be placed near the top when a list of America's great benefactors is written. He studied and conquered human diseases to a degree that few realize. Whenever he found a remedy that overcame disease, he at once announced it in the newspapers and told where it could be bought at a small price. He did not follow the usual custom of keeping the ingredients secret, so that the rich only could afford to buy the medicine, but openly printed the name of each root and herb he used. And so to-day the names of Dr. Pierce and his medicines are widely known, and they stand for better health and better citizenship.

One of this great physician's most successful remedies is known as Doctor Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloes, root of jalap—things that Nature grows in the ground. These Pellets are safe because they move the bowels gently, leaving no bad after-effects, as so many pills do. Very often they make a person who takes them feel like a new man or woman, for they cleanse the intestines of hard, decayed and poisonous matter that accumulates when one is constipated. If you are constipated, by all means go to your druggist and get some of Dr. Pierce's Pleasant Pellets. They may prove to be the very thing your system requires to make you well and happy.

MORAN

Mr. and Mrs. O. M. Farris and children were the week-end guests of Mr. and Mrs. E. J. Powers in Richmond.

Among those who attended the carnival in Richmond Saturday night were Chas. Bowman and family, Mr. and Mrs. Jack Duerson, Mrs. Annie Duerson, Miss Mildred Burton and Messrs. Stanley Leeds, Chas. Meeks, Robert Hockaday, Ed Meeks and Harry Leeds.

There will be a pie supper at the High Point school house Saturday night, Sept. 27th for the benefit of the school. Every body invited.

Mr. Wm. Hockaday, of Mt. Sterling, spent several days last week with his grandmother, Mrs. Annie Duerson.

Mr. and Mrs. E. C. McWhorter of Lexington, are visiting Mr. and Mrs. O. H. Hendren.

Mrs. Frances Riley and children, of Hamilton, Ohio, were visiting their aunt, Mrs. Arch Burton from Wednesday until Saturday.

Mrs. Chas. Meeks spent Sunday with Mr. and Mrs. Sam Meeks, Sr. at Silver Creek. The many friends of Mrs. Sam Meeks regret to know that she remains quite ill.

Baptist And Methodist Baptizing

A most unusual occurrence in church circles was an event which transpired Sunday at Upton. The Rev. W. P. Stuart of the Baptist church had just concluded a meeting at Upton and had a number of converts to baptize. The Methodist church had a convert who also wished to be baptized by immersion. After the Rev. Stuart finished his baptism the Rev. Spears of the Methodist church by previous arrangement, baptized his candidate in the same pool. We doubt if such a thing that has ever occurred in Kentucky.—Elizabethtown News.

"BAYER CROSS" ON ASPIRIN

Always Ask for Genuine
"Bayer Tablets of Aspirin"

Only Aspirin Tablets with the safety "Bayer Cross" on them are genuine "Bayer Tablets of Aspirin," owned and made by Americans and proved safe by millions of people. Unknown quantities of fraudulent Aspirin Tablets were sold recently by a Brooklyn dealer which proved to be composed mostly of Talcum Powder. "Bayer Tablets of Aspirin" should always be asked for. Then look for the safety "Bayer Cross" on the package and on each tablet. Accept nothing else! Proper directions and dosage in each Bayer package. Aspirin is the trade mark of Bayer Manufacture of Monoceticacidester of Salicylicacid.

Some Pumpkin

A "pumpkin" the sight of which is causing many a lip to smack with desire for an old-fashioned pumpkin pie, is being displayed in the window at Neff's Fish and Oyster House. It is said to be a sample of which the famous Servus pumpkin pies are made.

DR. SAMPEY'S LECTURES DELIGHT BIG AUDIENCE

The series of lectures at the First Baptist church delivered by Dr. J. R. Sampey, of the Southern Baptist Theological Seminary at Louisville, continues to draw large congregations. The lectures have been of a very high order and have awakened much interest among people of all faiths as well as those of the Baptist church. Dr. Sampey's range of study and research have given him a fund of information which he is able to give to his hearers in a most pleasing and effective manner. His spirit toward people of other religious beliefs is so thoroughly friendly and sincere that he can discuss themes in which there is diversity of opinion without giving the least offense. Last evening he spoke on: "What Baptists Have Done for the World." Their chief contribution to the world, as the speaker pointed out is their idea of religious liberty. He read portions of a letter written by President Washington to the Baptists of Virginia in which the "Father of Our Country" praised the Baptist for what they had done in the great Revolution and assuring them that religious liberty should be safely guarded by the constitution just formed. Dr. Sampey will speak tonight on "Baptist Principles Axiomatic." Tomorrow night his subject will be "A Worthy Baptist Program." All are cordially invited to hear him.

Driving 500 Cars To S. C.

Burton Roberts, of Richmond Buick Company, was at Flint, Mich., the other day when 500 Buicks were started out on a long drive to South Carolina. The state distributor was in charge, and drivers from his agencies all over the Palmetto State were on hand to drive the cars thru. This method of sending the cars is adopted on account of railroad congestion. Mr. Roberts says that a few days before 400 cars started overland for Kentucky.

VIOLETTE HERE SATURDAY

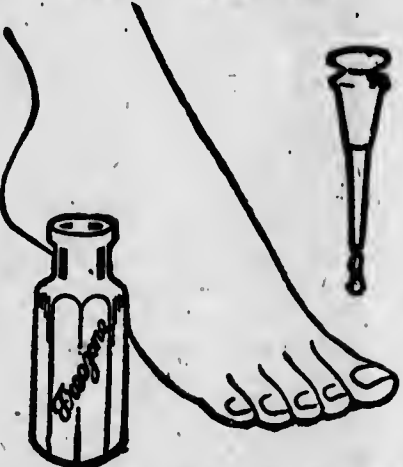

Dr. E.E. Violette, of Kansas City, will arrive Saturday for the opening of a two weeks' meeting at the First Christian church on Sunday morning. The local congregation as well as the community at large is looking forward to his coming with unusual interest. A great pulpiteer, his intimate touch with events in Europe and his wide travel for years have fitted him particularly to bring to a community great religious messages at this time. On Sunday morning he will speak on "Making the Church Safe for Christianity" and in the evening on "The Changing and the Changeless."

It is expected that Mr. Violette will be heard while in Richmond by many visitors from other towns in Kentucky. He has held meetings at Lexington, Paris, Winchester and Shelbyville in recent years besides having appeared on the Chautauqua platform in many Kentucky towns.

The Allies will demand of Holland the ex-Kaiser for trial within the next two weeks.

Lift off Corns!

Doesn't hurt a bit and Freezone costs only a few cents.

With your fingers! You can lift off any hard corn, soft corn, or corn between the toes, and the hard skin calluses from bottom of feet. A tiny bottle of "Freezone" costs little at any drug store; apply a few drops upon the corn or callus. Instantly it stops hurting, then shortly you lift that bothersome corn or callus right off, root and all, without one bit of pain or soreness. Truly!
